

ADMISSION REQUIREMENTS

- An application addressed to the Vice-Rector for Development of Education and Student Affairs
- An original general certificate of secondary education or other document (with a clause proving the right to apply for admission to higher education institution in the country where the certificate was issued) recognized as equivalent to the Polish general certificate of secondary education. This does not apply to certificates recognized under international agreements.
- A medical certificate allowing the bearer to undertake studies at the selected programme, according to current legal regulations.
- Four photographs 37 x 52 mm, taken without headgear, against a light background.
- A photocopy of a passport (the page with a photo).
- A receipt proving the payment of the enrolment fee.
- A certificate of Polish origin (applies only to persons of Polish origin).

All documents must be translated into Polish by a sworn translator. Documents that are incomplete or submitted after the closing date will not be accepted. Students (upon their prior written declaration) are entitled to paid accommodation in student hostels.
